Dear Sir:

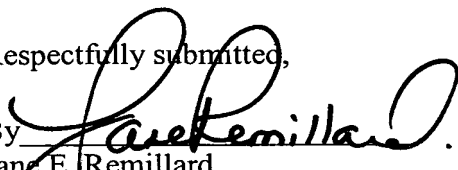

Submitted herewith is one set (seven sheets, 1-5B figures) of replacement drawings for filing in the above-identified patent application.

Replacement drawings in compliance with 37 CFR 1.84 and 34 CFR 1.121 were requested in the Notice to File Missing Parts mailed on June 22, 2004. Specifically, the numbers, letters, and reference characters on the drawings previously submitted did not measure at least 0.32 cm (1/8 inch) in height. The enclosed new drawings correct these informalities.

Favorable consideration of the enclosed drawings is respectfully requested.

Dated: August 31, 2004

Respectfully submitted,
